WHY DISTRIBUTORS AND SALONS CHOOSE CANARIA TEX

Colour That Stands Up to Salon Chemicals

Dyed for bleach and chlorine resistance, so they stay deep black instead of fading and blotching.

Built for Commercial Laundering

Quality ringspun cotton and strong, neatly stitched dobby borders withstand repeated hot washes without fraying or losing shape.

Soft, Absorbent, Professional

They dry hair quickly and feel premium to every client in the chair.

Long-Lasting Value

Heavy, durable construction means fewer replacements for salons and fewer complaints for you.

Factory-Direct Supply

Buy from the manufacturer, not a middleman, with competitive wholesale pricing and dependable service.

FREQUENTLY ASKED QUESTIONS

Are your salon towels bleach proof?
Are your salon towels bleach proof?
Our towels are specially dyed for bleach and chlorine resistance and keep their colour for longer than standard black towels in salon use. To get the longest life, rinse promptly after contact with strong chemicals.

What sizes do you offer?
Our standard sizes are 50 × 80 cm, 50 × 85 cm and 50 × 90 cm. Custom sizes are available on request.

Which GSM is best for salons?
400 GSM is the most popular all-round choice. 300 GSM suits high-volume, cost-focused buyers, and 450 GSM suits premium salons and spas.

Do you offer private label?
Yes. We manufacture custom sizes, weights, branding and packaging for salons, spas and beauty brands.

Can I order samples first?
Yes. Contact us to request samples before placing your order.

What colours are available?
Our bleach-resistant salon towels are available in black and charcoal.

Do you ship internationally?
Yes. We supply clients worldwide. Contact us for a shipping quote to your destination.
